## **DETAILED ACTION**

### ***Terminal Disclaimer***

1. The terminal disclaimer filed on October 25, 2004 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of 10/076,003 has been reviewed and is accepted. The terminal disclaimer has been recorded.

### **EXAMINER'S AMENDMENT**

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

3. The application has been amended as follows:

This application is in condition for allowance except for the presence of claims 8-72 and 77-83 to non-elected invention/species without traverse. Accordingly, claims 8-72 and 77-83 have been cancelled.

### ***Allowable Subject Matter***

4. Claims 1-3, 5-7, and 73-76 are allowed over prior art of record.

### ***Reasons for Allowance***

5. The following is an examiner's statement of reasons for allowance:

The prior art of record neither anticipates nor renders obvious the claimed subject matter of the instant application as a whole either taken alone or in combination, in particular, prior art of record does not teach "stretching the aperture mask (i.e., the repositionable polymeric aperture mask) to align the aperture with the deposition substrate; and depositing material through the

Art Unit: 2823

stretched mask to form a layer of the deposition substrate,” as recited in claim 1, and “depositing material on a deposition substrate through a repositionable polymeric aperture mask to define a patterned layer of an integrated circuit, ” as recited in claim 73.

Claims 2, 3, 5-7, and 7-76 are also allowed as being dependent of the allowed independent base claim.

### ***Conclusion***

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
